

NEYERS VINEYARDS

2008 Syrah ‘Hudson Vineyard’ – The Syrah grapes from Lee Hudson served to build the reputation of Neyers Vineyards in our early days, and Lee’s ‘attention to detail farming’ served as an inspiration to our winemaking. In the latest issue of [The Wine Spectator](#), James Laube wrote of this wine, “Full-bodied, deep and structured, this finishes with a long, lingering finish.” It’s a perfect description for a wine that itself comes close to perfection.
